

# GET VIP TREATMENT

with our **COMPLIMENTARY**

## 72 West Customer Loyalty Program

As part of our commitment to your satisfaction, this program provides convenience and essential services for your RV during your first 36 months of ownership. This program is available exclusively for new travel trailers and fifth wheels purchased at our dealership.

### INCLUDED SERVICES

#### Winterization and De-winterization

- Professional fall winterization and spring de-winterization of the complete RV system - once each per calendar year.

#### Safety Checks

- Check safety devices, including smoke and carbon monoxide detectors.
- Battery inspection and testing to ensure optimal performance.

#### System Inspections and Maintenance

- Water System Inspection: Inspect for proper operation and condition of your RV's water system.
- Slide Seal and External Seals Inspection: Regular inspection of slide-out seals and all external seals to help prevent leaks.
- Roof Inspection with Touch-Up Service: Annual roof inspection with one tube of Dicor sealant included for touch-ups.

*Terms and conditions apply.  
See dealership for details.*
